Education

Web Development Bootcamp — Toronto, Canada
Brainstation — 2020 - 2021

Driven tech enthusiast transitioning from Sales to web development. Passionate about creating innovative digital solutions and eager to transform logical thinking into powerful, user-centric applications. Ready to leverage new skills to build impactful technological experiences.

Bachelor's in Marketing Management — Guelph, Canada
University of Guelph — 2013 - 2017

Earned a Bachelor's degree in Marketing with a specialization in Commerce.

Experience

Product Operations Manager — Vancouver, Canada
Styx Intelligence — Sep 2021 - Jan 2026

- Scaled a cross-functional engineering team from 2 to 17 members while overseeing end-to-end cybersecurity platform development and maintaining hands-on contributions to the codebase
- Owned product roadmaps, sprint planning, and backlog prioritization, translating business requirements into clear user stories and acceptance criteria to deliver 25+ major initiatives on time
- Served as primary liaison between engineering, design, and business stakeholders, collaborating with customers and partners to align product features with user needs and long-term strategy

Senior Sales Support — Toronto, Canada
Ingram Micro — Dec 2018 - Jan 2021

- Managed Dell's third-party product portfolio by forecasting demand, analyzing market trends, and identifying new vendors to expand product offerings, driving increased website traffic
- Collaborated with vendors and cross-functional teams to develop targeted promotions for Dell's key customer segments, ensuring strategic alignment across sales, marketing, and product teams
- Optimized inventory management through process improvements and demand forecasting, reducing stockouts by 10% and enhancing product availability for key customers

Retail Marketing Coordinator — Toronto, Canada
Mosaic North America — Aug 2018 - Oct 2018

- Customer Insights & Product Positioning: Gathered and analyzed customer data to inform marketing strategies and product positioning for clients' newest products in Shoppers Drug Mart stores.
- Brand Ambassador Training: Coordinated and trained Brand Ambassadors across Canada to deliver key product messages, ensuring consistent communication of product value propositions.
